

Oral Blending and Segmenting

Home Learning Challenge

Listen carefully as you sound out these words: pin, sat, tap, net. How many letter sounds are in each word? Try counting on your fingers. E.g. 'c-a-t, 1-2-3'.

Emma the Explorer has a list of things she needs to take on her next adventure but she can't read it! Can you help Emma work out what she needs to pack in her bag? Sound out the words below and blend the sounds together to find out what she needs to take. You could draw pictures to help Emma know what she needs to take.

c-u-p
h-a-t
p-e-n

With a grown-up, play a listening game about a visit to a farm. 'I went to the farm and I saw ...' – instead of saying the animal name, split the word up into its 3 letter sounds. The other person has to identify the animal by blending the sounds together. For example: 'I went to the farm and I saw had a 'c-a-t.' – 'It's a cat!' Try for the words; cat, dog, pig, cow, hen.

Play a listening and drawing game with a grown-up. Take it in turns to sound out a word and then the other person has to draw the item! Try the words: hat, sun, ten, pan, box.

General Sound Discrimination Instrumental Sounds

Home Learning Challenge

As you listen to a story or rhyme, use some instruments or noise makers to add sound effects to the story. Think about how different instruments could be played to create different effects. For example, can you make a loud noise and a quiet noise using the same instrument?

Play a listening and copying game using a small set of instruments and noise makers. Play a sound for the other person to copy. Try creating loud and quiet sounds and also some simple sound patterns.

Do you have any musical instruments at home? Ask an adult to show you how they are played and try making some sounds with the instrument. Take a photo or draw a picture of your instrument to share with the group. Don't worry if you don't have any instruments – you could always make your own instrument, like a simple shaker!

Create a musical show to perform! Use a variety of instruments and noise makers and create a musical show for your friends or family. Try creating a musical pattern using a variety of different sounds.
