Fun activities for pupils of all ages

To help provide some fun activities to keep children active at home, Table Tennis England has launched a series of videos based around our TT Kidz programme.

These videos show activities for children and are a nice and easy way for them to be challenged to try something new while they are at home. You don't even need table tennis equipment - you can use a frying pan or saucepan and another type of ball instead!

You can see one of the videos below and more in the series can be found on the [TT Kidz Play at Home website](#).

We'll be posting loads more shareable ideas and challenges on our [Twitter](#) and [Facebook](#) pages in the weeks ahead, so follow us now!

Please share this information if you are able and ask people to let us know via Twitter if they try any of these activities, using the hashtag **#TTKidz**.
